IRVING COLLEGE, Warren Co., TENN.

Shipping Point, Money Order, Telegraph and Express Office,

McMINNVILLE, TENN.

SUCCESSORS TO

J. H. H. Boyd, Gage, Tenn., and Perry Bros., Irving College, Tenn.

TERMS OF SALE.

All seeds collected with greatest of care, and all orders accepted subject to crops and our ability to collect. All seeds listed promise a fair crop at the present time (July 20, 1904.)

Collected Seedlings will hereafter be assorted and graded in packing house. We find this necessary on account of the short count, uneven sizes, and bad-rooted stock which our collectors have been putting off on us.

Nursery-grown stock will average the above-listed sizes from the present indications.

Evergreens will only be collected hereafter on damp days, and small lots should be expressed. Orders from strangers not financially rated should be accompanied by cash or good reference. Reasonable charges will be made for boxes or bales of trees, except when cash accompanies the order.

No charge for bags, boxes or barrels for seeds.

Seeds—5 pounds at 10 pound rates; 25 pounds at 100 pound rates.

Seedlings—500 at 1,000 rates; 5,000 at 10,000 rates.

Our responsibility ceases on delivery to transportation company and receipt taken. All orders to prepay stations should be accompanied by cash to cover freight. Add 8 cents for postage. Small orders from strangers should be accompanied by cash.

Send in orders early, especially for Tree Seeds.
